# THE LIGHTHOUSE BEACON

## Lighthouse Charity Team is proud of their new GOC (Galveston Operations Center)

Loading Dock for Fork Lifts

Meeting Room for 75 Persons

Del Papa Distributing has graciously donated the long term use of a 22,000 sq. ft. building on I-45 on Galveston Island. With the help of many donors, the Lighthouse Charity Team has been able to construct a commercial kitchen and acquire a large commercial rotisserie BBQ pit. The Team is excited about the future of this facility. Having the ability to respond to emergencies that arise in our communities will be much easier. Using this facility, along with the facilities in Friendswood, we will be able to support more people in a time of need. The facility also has 4,000 sq. ft. of furnished office space, a meeting room for 75+ people, and a loading dock for handling the mass amounts of food ordered and received on a regular basis!

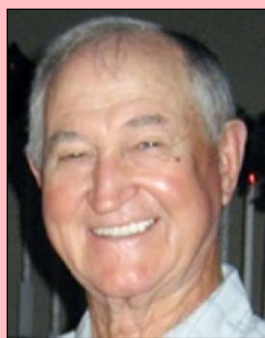

LCT would like to thank GM Gordon Morse and wife Mary for their dedication to getting the GOC functional and operational!

Big thank you to John Bertolini for his untiring amount of labor toward the GOC construction!

### Remembering Our Friend

Last month, the Lighthouse Charity Team lost one of its original founding friends - **MAX BOWEN**. Max, his family and his businesses have been part of the LCT since the day it was formed. Dick actually borrowed Max's BBQ pit for the first Lighthouse event! Max was known and loved by thousands and will be greatly missed.

### A Big Thank You To Apache Oil!

Apache Oil, along with Billy Ledsinger, presented the Team with a check for \$10,000 for all of the good work being done by the team over the years. Pictured (left to right) Billy Ledsinger, Kim Brown, Greg Christy and Dick Daugird.

# Wounded Warriors

The Lighthouse Team was honored to support the Wounded Warriors event that was held at Halls Bayou. The Team treated the Veterans to a fried fish dinner with all the trimmings.

We ask that everyone take a moment to thank any serviceman in uniform.

# Caring for Claire

Everyone had a job to do to help Claire Lankford in Dickinson. The Team prepared and served over 1200 meals to guests who stood in line in the rain to support this 4-year-old girl battling Lymphoma.

# Galveston Blue Santa Program

Team member Juan Pena buying a dinner to support the cause.

The Team was getting into the holiday spirit early helping Galveston's Blue Santa Program Bring Ho-Ho-Hope to Kids. Helping make the Holidays Merry for Underprivileged Children and Families, Blue Santa donors and sponsors provide more than 4,000 toys and bikes to underprivileged children in Galveston. Officers will be out in the neighborhoods making special deliveries on Christmas Eve. Event organied by Joey Quiroga.

# Galveston Shrimp Festival

Many of the Galveston Team Members participated in the Galveston Shrimp Festival. They fried over 500 pounds of shrimp to help the committee promote the Island's history as well as the shrimp industry.

# Lemonade Day in Galveston

LCT supported local children in their first opportunity into the business world with a lemonade stand. The children set up their stands, sold lemonade, and donated the proceeds to the charity of their choice!
