

# Lighthouse Charity Team

**“People Helping People”**

*Cooking for a Cause*

***The Lighthouse Charity Team is a 501-C-3 Non Profit Organization that provides volunteers and cooking equipment for causes that benefit the Galveston County area during disasters and community building efforts.***

For over 35 years we've been making a difference when we show up in our red trucks and food trailers to help feed victims and First Responders of natural and man made disasters. When we aren't working on disaster response, you'll find us in the community helping other non-profits raise funds by offering our food and services.

Covid did not bypass us. Our fundraising efforts have been affected, along with our lower number of volunteers.

In the spirit of giving back and as the year draws to a close, we would love to be the nonprofit that you donate to. Your tax deductible donation would go a long way towards ensuring the Lighthouse Charity Team remains strong.

Come join us to see and feel what giving to your community is all about. We meet Mondays (excluding holidays) to share a meal while discussing how to help your community. Come join us at 6918 Broadway in Galveston.
