FEATURE STORY

A NIGHT OF THAI FOOD, FRIENDSHIP & TRADITION

Our August volunteer meeting was extra special thanks to our J-1 students from Thailand! They prepared an authentic Thai meal, performed beautiful traditional dances, and then invited everyone to join in the fun. It was a night filled with culture, community and connection.

A heartfelt thank you to James Henderson for introducing these amazing students to Lighthouse!

Thank you to our incredible volunteers for helping us pick up toys donated by Diamond Wishes Foundation for Blue Santa! Your hard work helps bring joy to children in our community this holiday season.

GROWING THE TEAM

LIGHTHOUSE MEETS THE SEA AGGIES

We had a great time at the Texas A&M Galveston Volunteer Fair connecting with students who want to make a difference in our community. Thank you to everyone who stopped by our table and learned more about Lighthouse Charity Team!

13 YEARS OF QUIET DEDICATION

For 13 years, Frank Provinziano has been a dedicated Lighthouse Charity Team volunteer and currently serves as an Officer at Large on the Board. Much of Frank's contribution happens quietly behind the scenes. He manages Lighthouse's Network for Good program, helping maintain records for contacts, volunteers, fundraising events and auctions.

COMMUNITY RESPONSE

After a catastrophic freezer failure and the loss of more than \$50,000 in emergency food supplies, our community stepped forward with financial support and food donations to help Lighthouse restock and remain ready to serve.

Together, we are People Helping People.
